

Playgrounds:

Our playgrounds are designed for maximum safety and physical fun. All three spacious playgrounds are comprised of age-appropriated equipment and Burke Turf, a more sanitary and softer ground cover than sand, mulch, and other commonly used foundations. Our playgrounds are also covered with large canopies which provide more shade while reducing sun exposure with up to 97% UV screening protection. The large canopies also allow the equipment to stay cooler to touch for our children playing outside, especially on those hot, Texas summer days.

Enrichment Classes:

Enrichment Classes are offered in addition to our curriculum for students 3 years and older. We offer both center-paid and parent-paid classes and all of these classes are held at our school during business hours.

Optional, Parent-Paid Enrichment Classes:

- Private or Semi-Private Computer Classes
- Touchdown Kids
- Basketball Basics
- Dance and Cheer by Stretch-n-Grow
- Soccer Skills
- Keyboarding Lessons

Center-Paid Enrichment Classes:

- Whole-Class Computer Instruction by Wiz-Kidz
- Fun Fitness Fridays (led by Stretch-n-Grow)
- Music Class with Mr. Shepherd
- Spanish Class with Spanish on Wheels

EVENTS

Special Events:
